UPS Developer Kit

Request Access Key - Confirmation

Print

Thank you. Your request for an access key has been received. Your access key information is provided below. Please print this page for your records. You will also receive an e-mail confirmation of the access key request.

Access Key:

Provides Access To:

Developer Resource	Access Type
Access Point Locator Plug-In	Production
Address Validation - City, State, ZIP	Production
Address Validation - Street Level	Production
Dangerous Goods - Package	Production
Locator - Package	Production
Paperless Document	Production
Pickup - Ground Freight	Test
Pickup - Package	Production
Pre-Notification - Package	Production
Quantum View - Package	Production
Rating - Ground Freight	Test

5. Send the following fields to your Bottlecapps Rep:

- UPS Account Credentials (Username and Password from Step 1)

- Access key from Step 4 (Example: DD7B8AEWD19F1DE6)

- Account Number/Shipper Number (Example: A2569Y)

You can find your UPS account number, sometimes referred to as the shipper number, in various ways.

3. By calling UPS at 1 (800) 742-5877.
4. By locating it on paper invoices or electronically for shippers signed up to UPS Billing Center.
5. By finding the tracking number of a package that was shipped using your UPS account. Look for the string of six numbers and letters that immediately follow “1Z”—that’s your account number.
