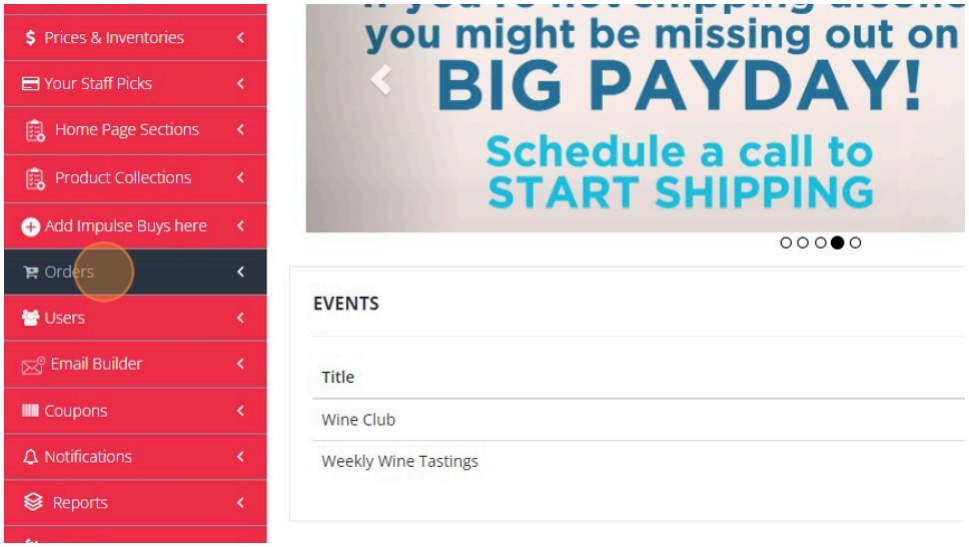
BOTTLECAPPS

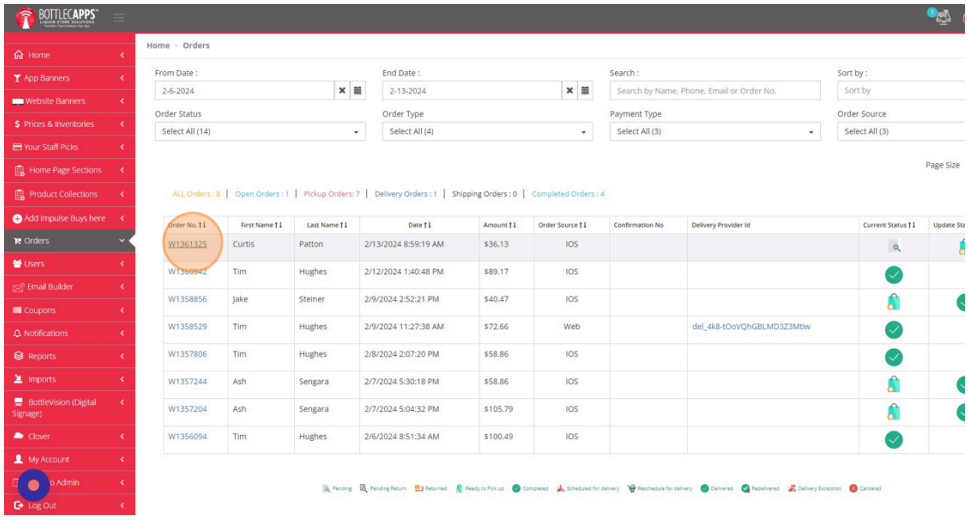
How to Modify an Order

1. Go To liquorapps.com and login

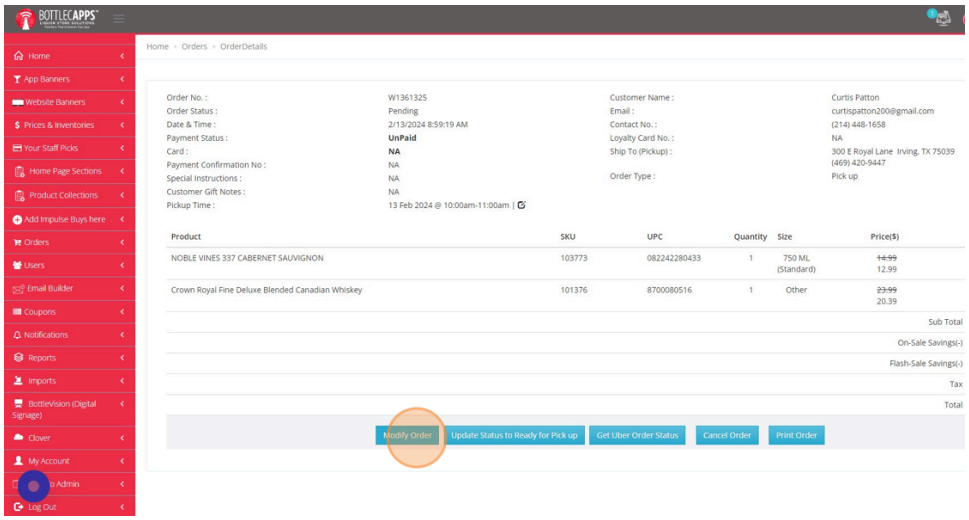
2. Click "Orders" on the menu on the left-hand side



3. Click on the Pending Order you want to modify

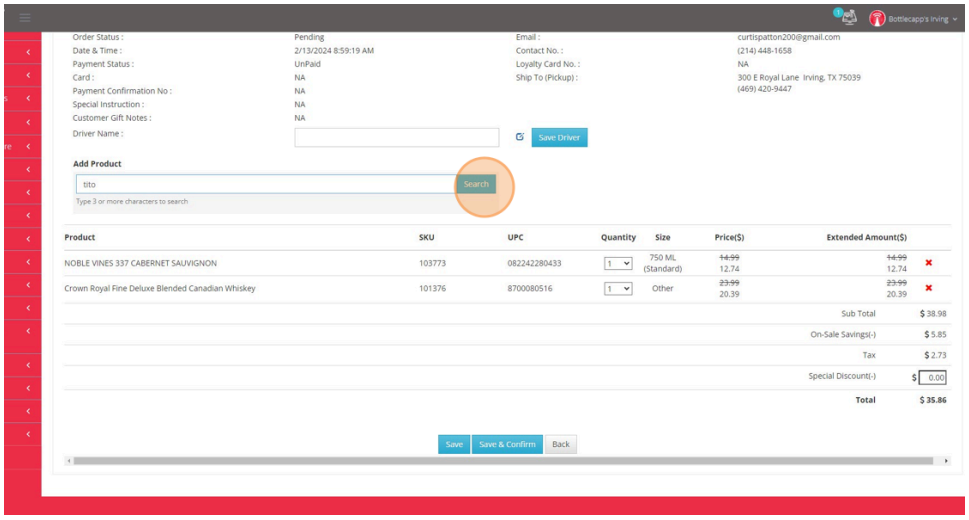


4. Click "Modify Order"

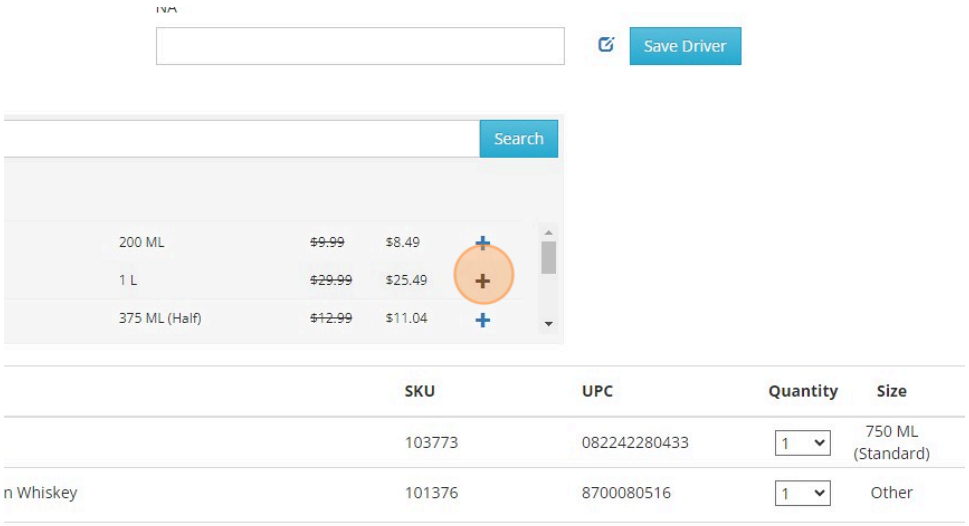


5. To add a product to an order, Click the "Add Product" field and type the item you want to add to the order

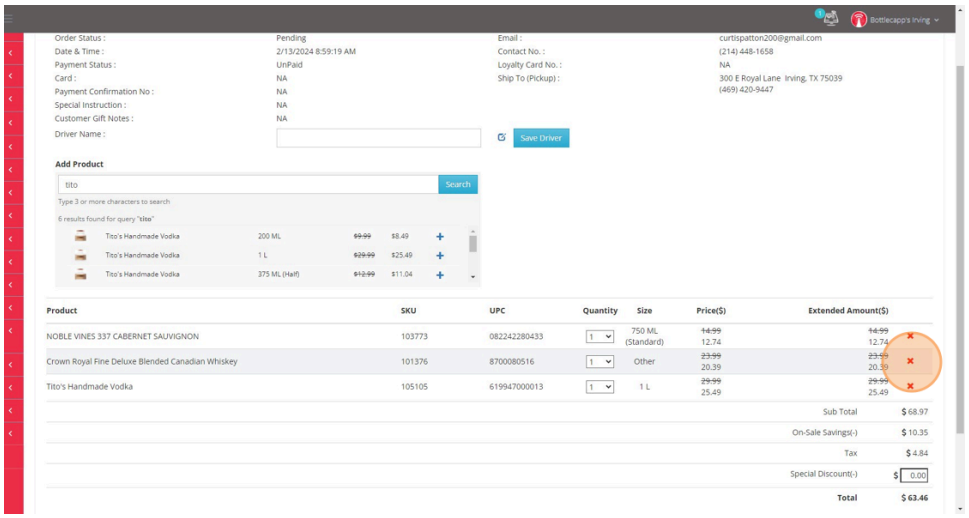
6. Click "Search"



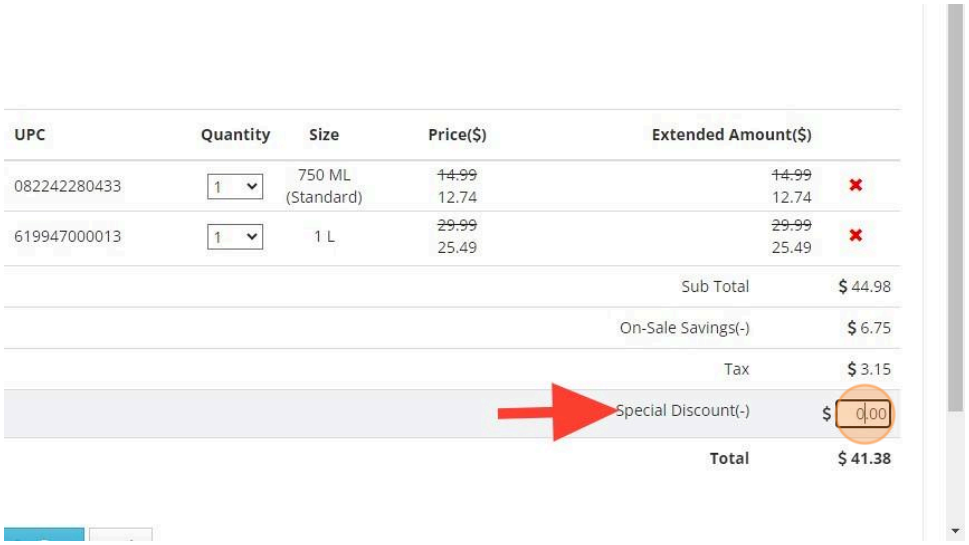
7. Once you have found the correct item, click the plus button



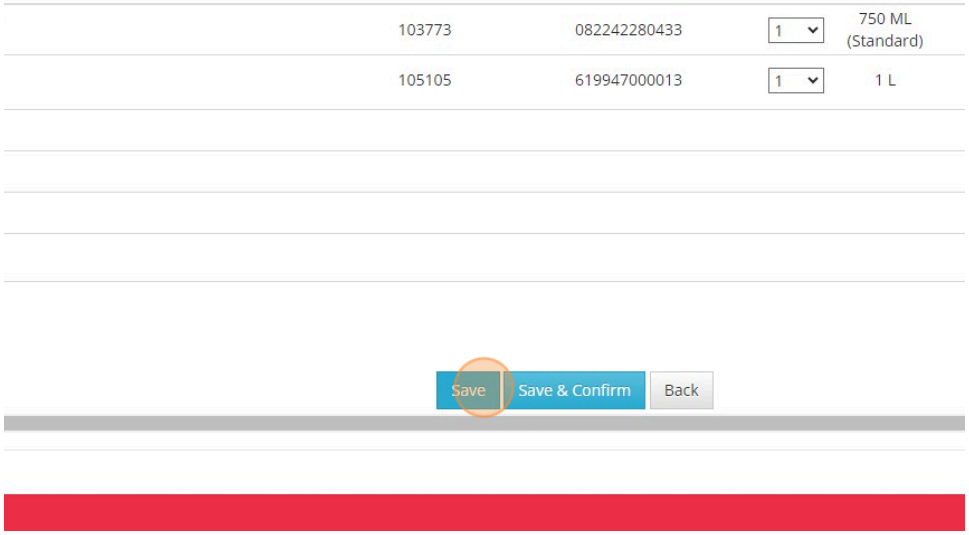
8. To remove an item from the order, click the "X" next to the item you wish to remove.



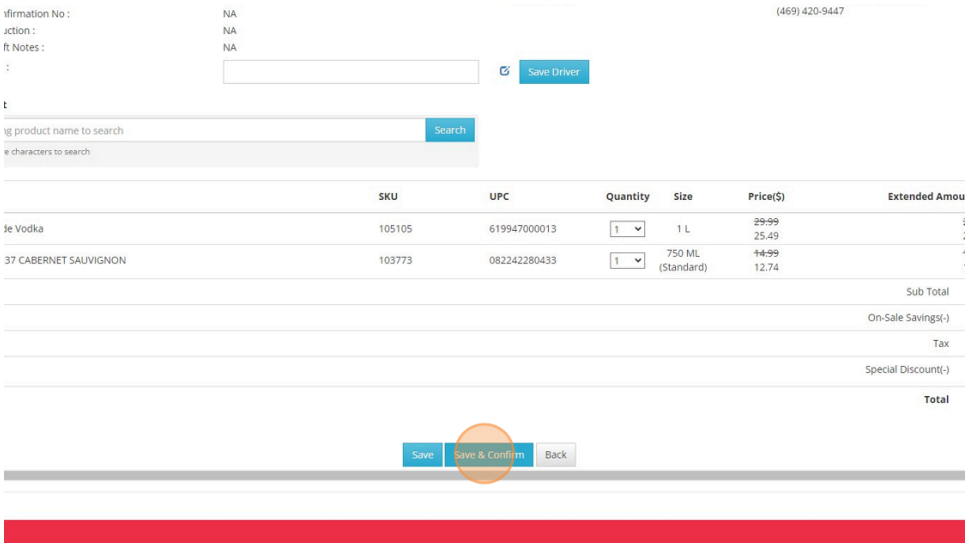
9. To add an after-purchase discount, add the desired discount in the "special discount" field



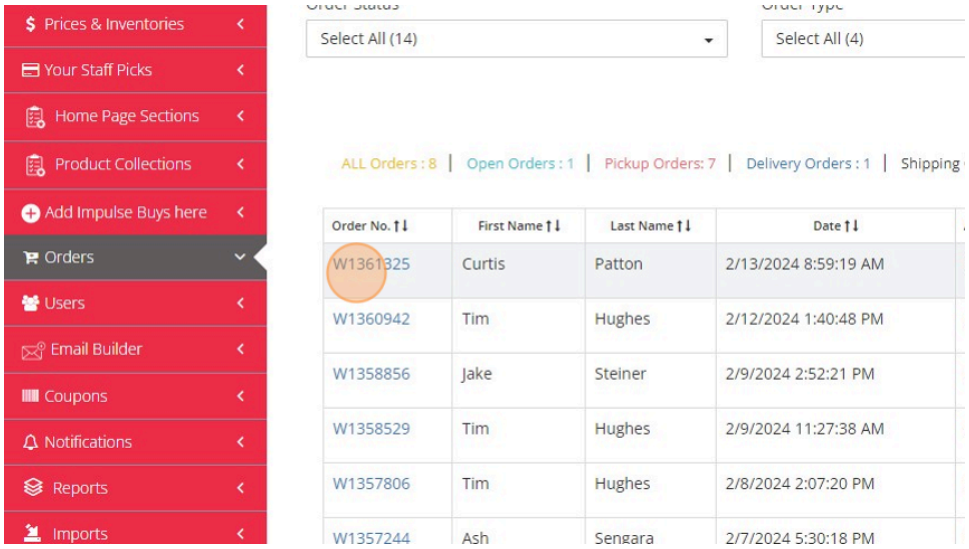
10. Once you have modified an order, click "Save" if you will need to modify it again.



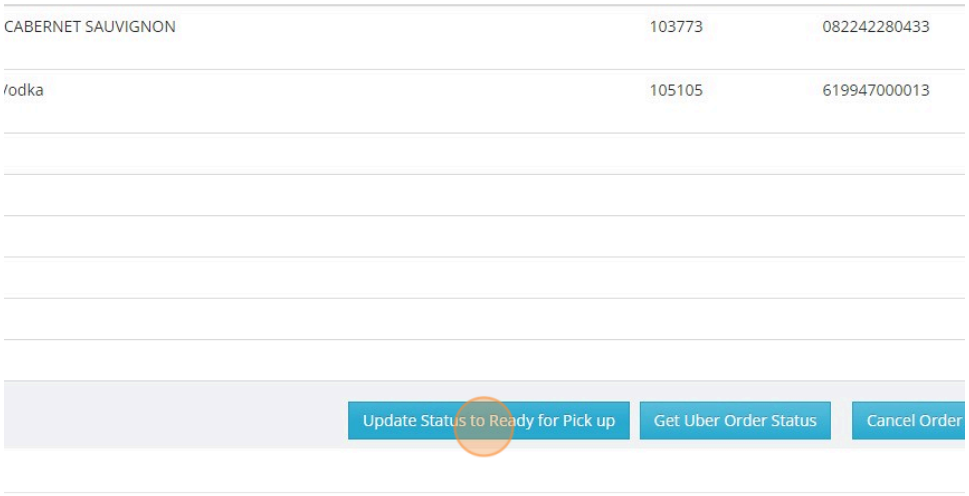
11. Click the "Save and Confirm" button once you are done modifying the order. Please note, once this button is pressed, you can no longer make any more changes to the order



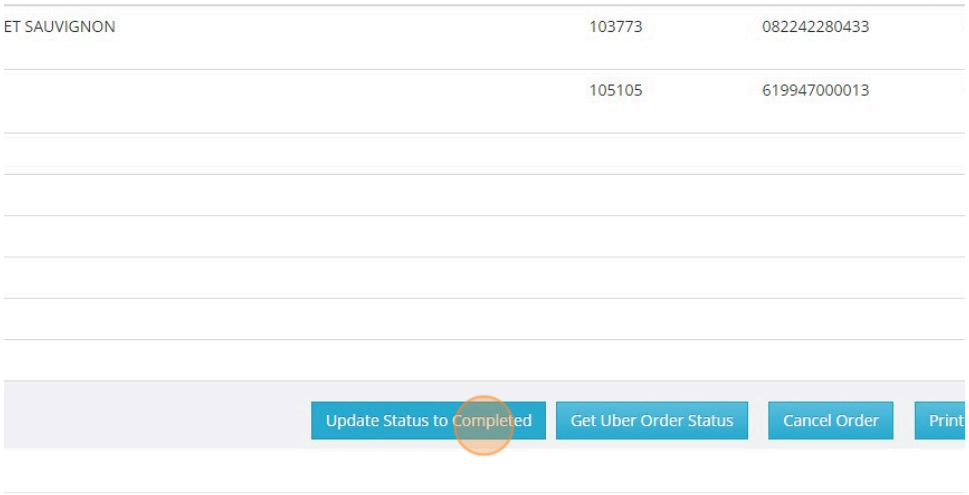
12. Click "W1361325"



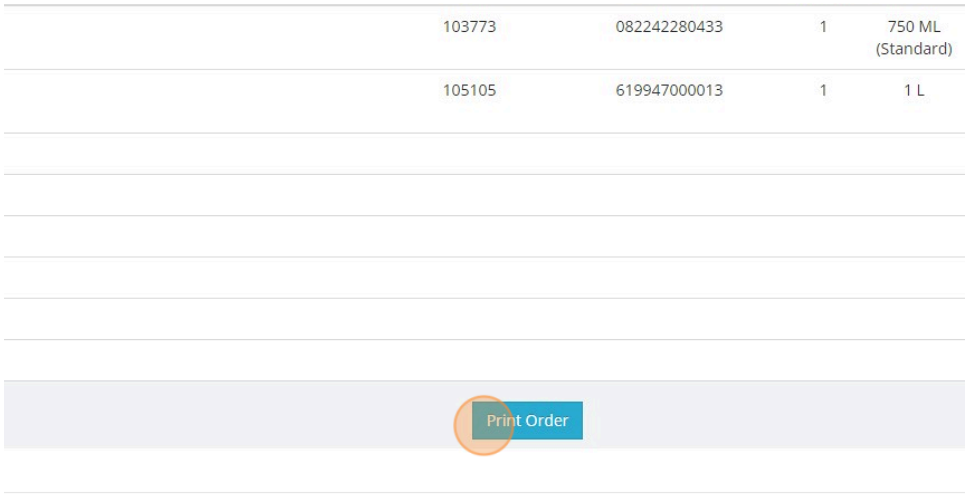
13. Click this button field.

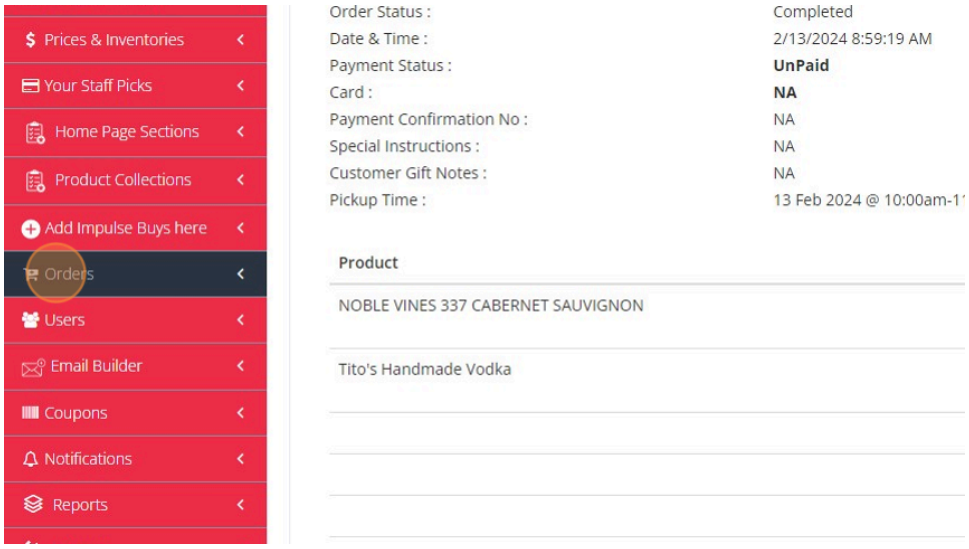


14. Click this button field.



15. Click "Print Order"





16. Click "Orders" to see the Order
